****REMINDERS to Keep Everyone Safe Out Front****

Passenger Unloading Zone

Please use the curb in front of the school (under the big trees) for drop off only. Students should be ready to exit the car. Do not park and leave your car! Parents should remain in the vehicle in order to expedite drop off. In addition, please pull up as far as you can to allow more vehicles to utilize the drop off and pick up.

Walking to School Safety

Please use the crosswalk just to the south of the school. We have awesome crossing guards!!! Do not J-walk across Loraine Ave.

NO U-Turns!

Please be aware that U-turns in front of schools are dangerous and illegal. So please remember to not make that illegal U-turn. You avoid a traffic citation (and a hefty fine) and our kids stay safe!

Front of School Safety

Parents and/or children who are waiting for other students to be dismissed should supervise children at all times. There should be no roughhousing, playing chase or tag out front. Students who have been dismissed from school should not come back on campus to play or run through the halls. Please help ensure the safety and well being of ALL our Sellers' students by observing these rules.

Bicycles, Skateboard, Scooters & Helmets

District Policy and School rules require students to be in the 3rd grade or above in order to ride bikes, scooters, or skateboards to school. Of course, a **helmet that is actually strapped is required** for all these modes of transportation.

Dogs On Campus

To ensure the safety of our Sellers Students, please refrain from bringing your dog on campus. We have a continual problem with dog owners not picking up after their pets.
